

The State Geographic Information Council requests the honor of your presence at

*The 14th Annual
GIS DAY at the CAPITOL*

*on
Wednesday, March 12, 2008*

9:00 AM - 3:00 PM

*Fourth Floor Rotunda
State Capitol*

Come see how the public and private sectors are using Geographic Information Systems (GIS). GIS is being used as a decision-making tool throughout the state of Oklahoma. This is a one of a kind opportunity for you to see how this powerful technology can be used to view spatial information

On Wednesday, March 12, please make plans to stop by and visit with any of the thirty different local, state and federal agencies who will be participating in this event.
