

*The State Geographic Information Council
requests the honor of your presence at*

*The 13th Annual
GIS DAY AT THE CAPITOL*

on

Wednesday, March 14, 2007

9:00 A.M.—3:00 P.M.

*Fourth Floor Rotunda
State Capitol*

*Come see how the public and private sectors are
using Geographic Information Systems (GIS).*

*GIS is being used as a decision-making tool
throughout the state of Oklahoma. This is a one
of a kind opportunity for you to see how this
powerful technology can be used to view
spatial information.*

*On Wednesday, March 14, please make plans to
stop by and visit with any of the twenty five
different local, state, and federal agencies who
will be participating in this exciting event.*
